

# LUXURY TRAVEL HERMITAGE BAY - ANTIGUA

---

## Discover All Inclusive, 5 Star Luxury in the Caribbean

From panoramic views and an unbeatable beachfront location to interiors that channel the beauty of the surrounding bay, it's easy to see why 5-star luxury resort, Hermitage Bay, has been named among the best resorts in the Caribbean.

Whether guests are looking for a romantic destination to spend their honeymoon in or are simply in search of somewhere to hide away and indulge in a little luxury, Hermitage Bay's collection of 30 Hillside, Beachfront, and Seaview Garden Suites offer a secluded space to relax mind and body and restore the soul. Plus, all suites feature decks facing the ocean and open-air showers

Be it authentic Antiguan dishes featuring freshly caught seafood or a romantic dinner in the moonlight, when it comes to dining, Hermitage Bay is all about creating moments that will stay with you forever. Menus change daily, but always combine local favourites with classic American dishes and modern European fare.

---

Guests will find plenty of vegan and vegetarian dishes, and our Executive Chef can create individual meal plans based on specific dietary requirements or personal fitness goals. And with many ingredients grown in our own organic garden, guests are guaranteed a true taste of the Caribbean.

The Garden Spa is a tranquil space designed to soothe the soul and help guests reconnect with the world around them. Take some time out to indulge in a range of nourishing treatments or try one of our pilates or yoga sessions overlooking the ocean.
